

## **Whitney E. Solcher, CFA**

### **President, San Antonio Capital Management, LLC, Partner, Advisory Committee**

Whitney Solcher is the President of San Antonio Capital Management, a Registered Investment Advisor. She is responsible for overseeing investment strategies, manager selection and capital allocation. Whitney is also the head wealth advisor and spends the majority of her time ensuring our client families receive appropriate investment advice, tailored to their individual needs.

Prior to her role with San Antonio Capital Management, Whitney spent eight years with Goldman, Sachs & Co. in their Investment Management Division, where she held the title of Vice President after roles as a Financial Analyst and Associate with the firm. While at Goldman, Whitney advised some of the most successful entrepreneurs and businessmen in the state of Texas. Her responsibilities included risk analysis, asset allocation, manager selection, and estate and charitable planning.

Whitney is a graduate of The University of Texas Business Honors Program with a second Major in Finance. She is a CFA charterholder and member of the CFA Institute and the San Antonio CFA Chapter. A CFA charterholder represents a tremendous reservoir of investment expertise, having demonstrated commitment to the highest standards of ethical and professional conduct, and comprehensive knowledge of investments and analytics.

Whitney holds positions on the boards of the Witte Museum, Founder's Council for The Southwest Foundation for Biomedical Research, The San Antonio River Foundation, and the UTSA Center for Innovation and Technology Entrepreneurship. She is a past board member of Saint Mary's Hall and currently serves on the Investment Committee. She is also a member of the Alamo Colleges Investment Committee, the San Antonio Area Foundation Investment Committee, and past Chairman of the Chamber of Commerce Finance Committee.
